

We have celebrated the Queen's Coronation and learned the National Anthem. We discuss the General Election, Scottish Referendum, Welsh Assembly, and the Houses of Parliament. We learn about the Magna Carta, how our laws have been established and how our present Government works. We study the history of our Kings and Queens. We learn about significant figures such as Florence Nightingale, Mary Secole, Guy Fawkes, Churchill, the Beatles. We learn about Saints Days at Assemblies. We study Invaders and Settlers: how our national make-up has developed and Explorers: how we explored the world, discovered New Worlds and settled in other countries. We discuss how we fought the Spanish Armada and in the Fields of Flanders. We learn the geography of the British Isles and how Britain relates to the European Union and the rest of the World. We study famous British inventors, artists, authors, poets. We study the Industrial Revolution and our modern export economy. We followed the Home Olympics and the England Football Team in the World Cup. We visit Pudding Lane and the Globe Theatre of Shakespearean England and Warwick Castle when studying Knights of the Realm. We talk about British Seaside Holidays, past and present. We study the Blitz, child evacuees and visit
